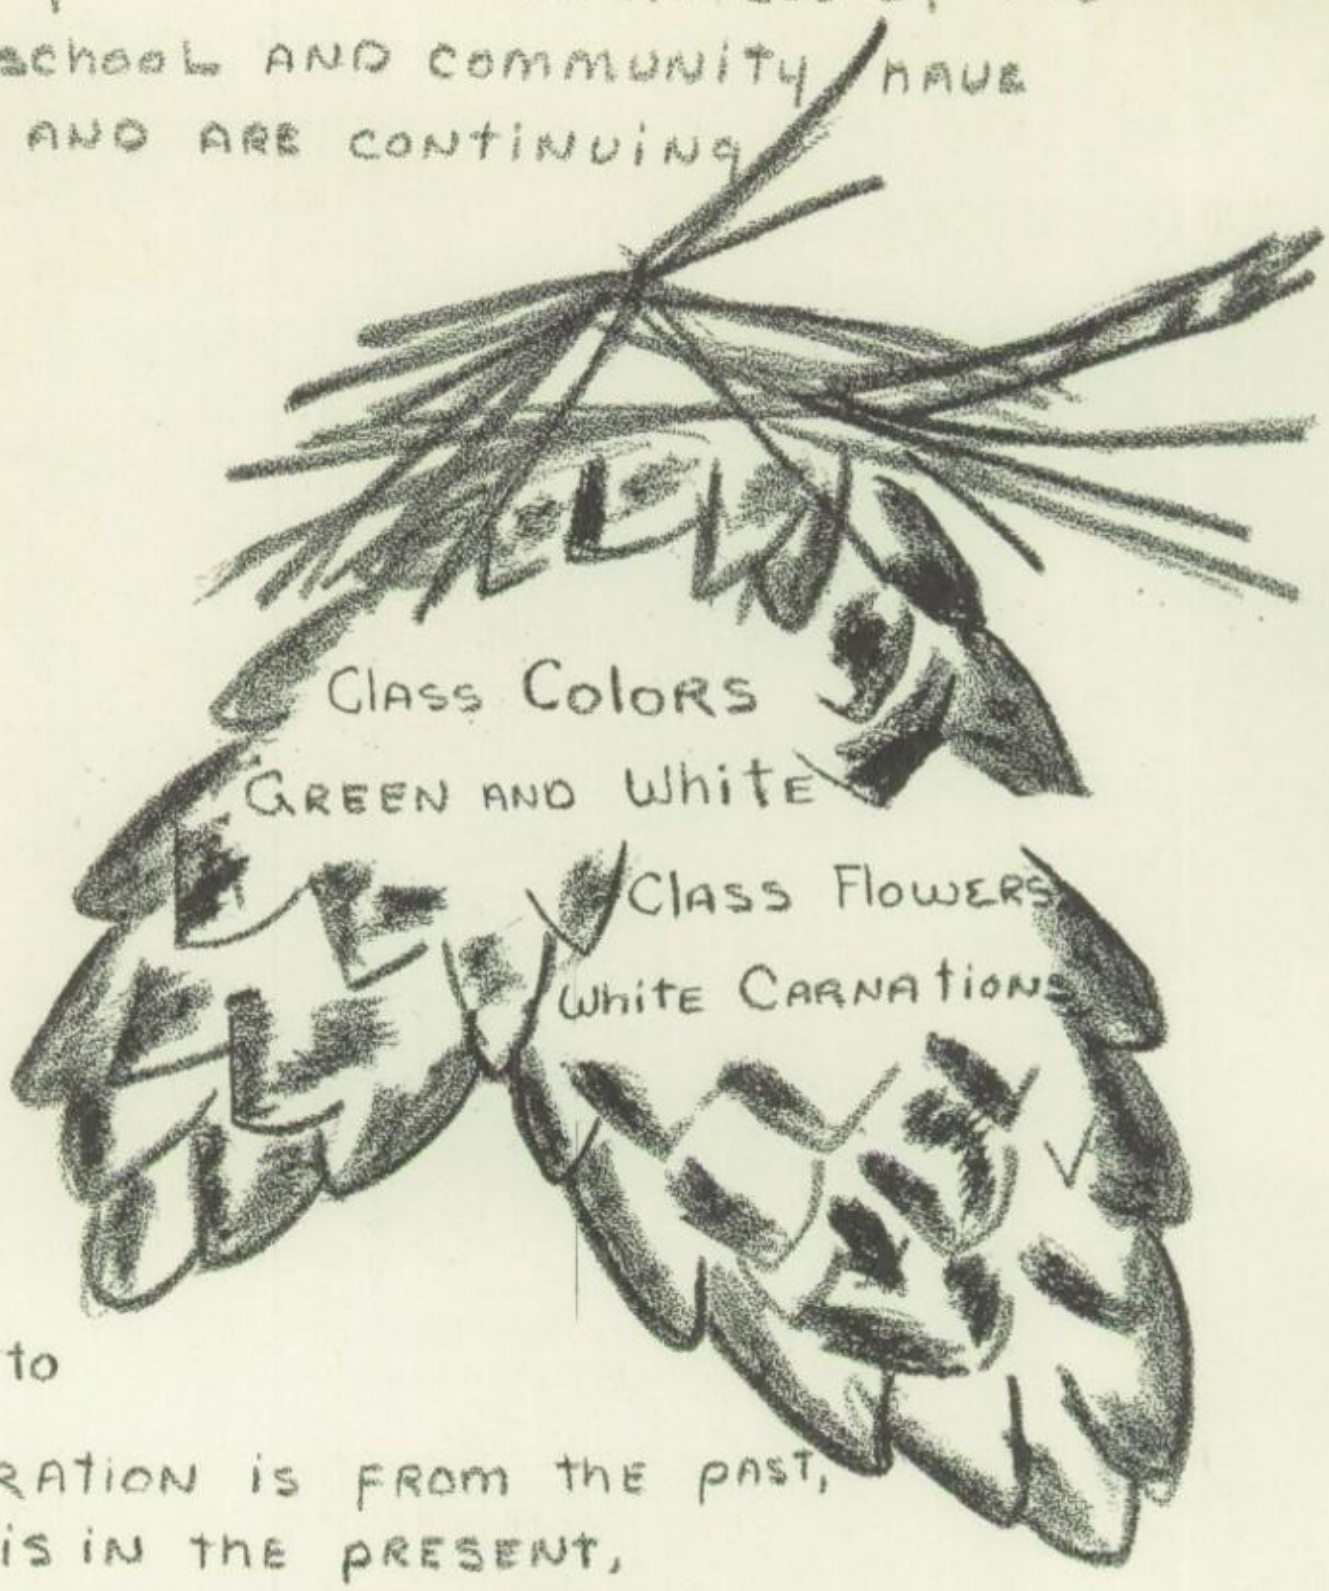
FORWARD

In the following pages we sincerely hope to bring about an awareness of the things our school and community have done for us and are continuing to do.



Class Motto

"Our inspiration is from the past,
Our duty is in the present,
Our hope is in the future."

Alma Mater

Oh let us sing tonight
And cheer the merry throng
And inspire our team to victory
As we sing our battle song.
It will always be our rule
To fight with courage bold
For the dear Duanesburg High School
And the purple and the gold.

A FAREWELL TO THE PRINCIPAL

We, the class of 1956 wish to express our gratitude and appreciation to you, our esteemed principal, Mr. Shafer.

We find it difficult to choose the words to express our feelings because you have served so well our school and our community for more than twenty-five years.

We would like to thank you for the co-operation, fair-play, and understanding you have bestowed upon us.

We are proud to be able to say we graduated under your leadership and guidance.

We wish to extend to you our best wishes for continued success and happiness in the future.

HIGHLIGHTS OF OUR

In the year of 1952 our class welcomed Mrs. Shannon to the school. She became our homeroom teacher for the four years of high school. She has been understanding and helpful in all we have attempted to do. We owe her a great deal.

1952

In the year of 1953 a community party was given for Miss Van Schaick who had served our school for 25 years. She has been an excellent teacher and is now secondary supervisor.

1953

HIGH SCHOOL YEARS

In the year of 1954 the dedication of our elementary school building was held. There was an assembly program in which the elementary band played a few numbers. Many people visited and inspected the new building.

1954

In the year of 1955 the Duanesburg Central High School held its Open House. All classrooms, the library, the science room and the offices were open for inspection by the public.

1955

JUNIOR FAREWELL

Dear Seniors,

The Junior Class is very sorry to see you leave school this year. However we feel that we have lost you as classmates but not as friends. We know we have had a lot of good times with you.

We all like your yearbook and we know that you will have good luck in the future.

Yours truly,
Charles Zubal
Junior Class President

SENIOR FAREWELL

We are both sad and glad that we are now going to graduate. We are sad that we must now leave all our friends who have shared with us both the fun and the work of school. We are glad, however, that we have successfully reached the goal we set out for twelve years ago.

While we have been in school there have been a great many changes. The last couple of years have seen the construction of a new school and a remodeling of the old. The class of '56 sincerely hopes that the school where we have been prepared to go our separate ways will get bigger and better as the years go by.

The Senior Class wishes to thank all the teachers and advisors who have tried their best to prepare us for our separate vocations.

The very best of everything to everyone.

Cordially,
Richard Wilbur
Class President

"US"
CLASS OF 1956

As we the class of '56
Go out to meet life's test,
We know Duanesburg Central
Taught us to do our best.

We'll think of James MacGregor
Who was always full of fun,
And also of Bruce Panas
Teasing everyone.

We'll think of petite Connie
Whom we all know as "Jo"
And of ambitious Donna
Who was always very quiet.

And then there's Robert Canastra
Whose hearty laugh could start a riot,
And sweet Kay Shultis
Who was always very quiet.

We'll think of "Susie" Guyon
Whose nice clothes showed good choice.
And of Jeanette Groat
And her pretty smile and voice.

Then also there is Marilynn
Who will be a nurse, good and true;
And pleasant Mrs. Shannon
Who helped our whole crew.

Now we come to George Allgaier
With his pranks and silly jokes,
And the laughing scientist
Whose name is Fred Koch.

And then there's blond Patricia
Who seemed without a care,
And also Robert Finch
With his red and curly hair.

We'll remember Don Largeteau
With his wide and friendly grin,
And tall Lennea English
Who was always neat and trim.

We'll always remember "Richie"
As president of our class,
And happy Laura Youngs
A gay and lively lass.

We'll recall Mary Ann
Who never wore a frown,
And a friendly, dark-eyed girl
Whose name is Judy Brown.

We couldn't forget "Addie"
Who has done much for our class,
And also polite Minard
Who played in band - section brass.

We'll remember lively Janet
As cute as she could be,
And also Charlotte Miller
With her sweet personality.

We'll recall to mind "Ginny"
Who was sweet as she could be,
And then there's also Norma
Whom we all know as "Ghee."

This is the class of '56,
Who now will say farewell.
We wish to thank all those who helped,
And say that you've been swell.

TO MR. SHAFER

The pupils of Duanesburg Central School would like to pay tribute to Mr. Shafer and wish him success in his new position.

We express our sincere admiration for his work at Delanson High School and Duanesburg Central as a coach, physical education director, teacher, vice principal and supervising principal. Centralization, a new elementary school, an enlarged high school are part of the many deeds for which we can thank Mr. Shafer, for he played a major

role in each.

The first yearbook was published by a senior class sponsored by Mr. Shafer. Ever since that time, he has made many valuable suggestions for improving and enlarging the senior annual.

Over the years that he was serving the school, he was also active in community affairs - as village treasurer, as Fire Chief, as a member of the Board of Directors of the Schenectady County 4-H, as an outstanding worker and leader in Civil Defense, and as a community leader in many other ways.

In whatever the task, wholehearted effort was part of the routine, a sense of fairness was uppermost, and a job well-done was always evident. We thank Mr. Shafer for being a long-time friend of ours.

JOKES

HIS OWN SYSTEM

A little boy, caught in mischief, was asked by his mother: "How do you expect to get to Heaven?"

He thought a minute and then said: "Well, I'll just run in and out and in and out and keep slamming the door till they say, 'For goodness sake, come in or stay out!' Then I'll go in."

***

POOR AIM

Grandpa: "I miss the old cuspidor since it's gone."
Grandma: "You missed it before; that's why it's gone."

***

ANOTHER WORD FOR IT

"My husband is an efficiency expert in a large office."
"What does an efficiency expert do?"
"Well, if we women did it, they'd call it nagging."

***

LOST AND FOUND

Diner: "Look here, waiter, I just found a collar-button in my soup."
Waiter: "Oh, thank you, sir. I have been looking all over for it."

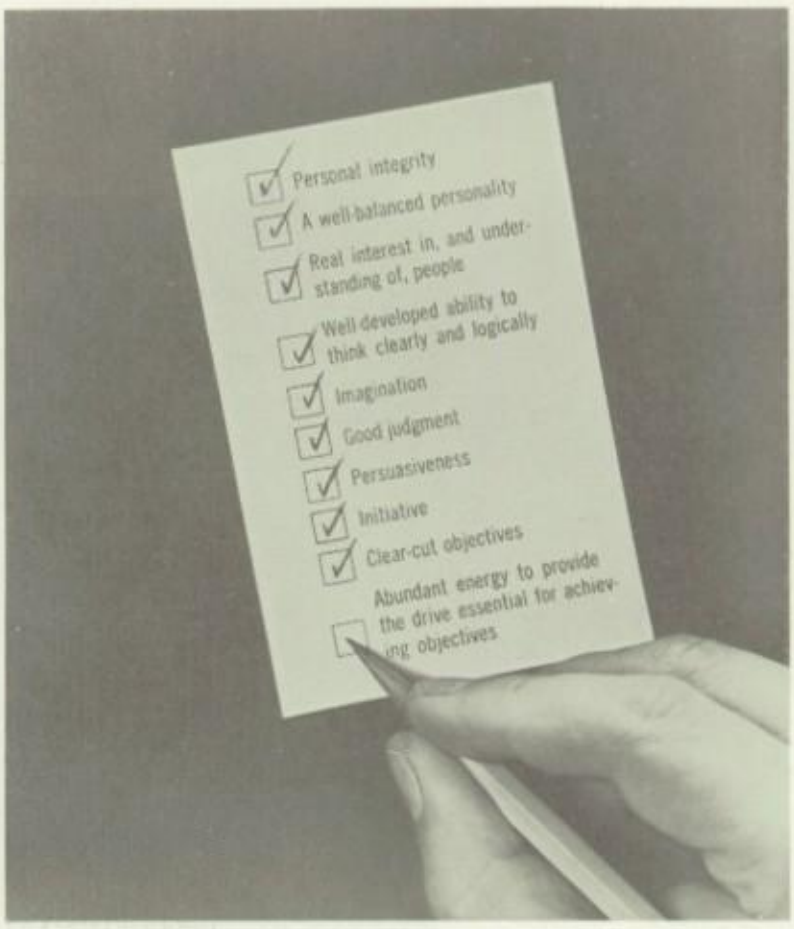
Looking Ahead With General Electric

HOW DO YOU MEASURE UP

IN LEADERSHIP QUALITIES?

A YOUNG MAN WHO CAN LEAD has always a good chance of success, but his prospects were never better than now. There's a steadily growing demand in industry for men to fill top professional and management jobs . . . fellows with a special ability to work well with other people and inspire their best work. At General Electric, we're constantly on the lookout for them.



TEN TRAITS WE LOOK FOR, above, add up to a pretty good indication of potential success in business. Not everyone has them all to a top degree, but the basic characteristics are always present and can be developed in the men we pick to help lead General Electric. We hope you can rate yourself very high on the list and find it helpful.
